- Additional licences purchased within a given year are prorated to the expiry date of the first licence so as to tie the renewals to the same date.
- Licence discounts are applied on the purchase or renewal date of a licence e.g. A licence is purchased in January at £2000.00. A new licence is then purchased in October of the same year at the discounted rate of £1800.00 (prorated to January). On the renewal date in January both licences will be charged at the discounted rate of £1800.00 per licence.
